## Temporary Sign Notice

Effective Date: April 2, 2016

Township Code of Ordinances, Chapter XXIV, Part 1 - Ordinance No.418 - *Signs and Billboards*

The Township of Spring has adopted an Ordinance prohibiting the placement of all temporary signs placed for display within 10 feet of the public roadway.

A noncompliant temporary sign may be immediately removed by the Township and stored at a Township facility for a period of 30 days from such removal. A storage fee established in the Township Fee Schedule must be remitted prior to the retrieval of such sign. Signs that are not retrieved within 30 days may be disposed. The Township will not be responsible for any damage or destruction of a temporary sign or associated structures which may occur during the removal or storage of such signs in accordance with the Ordinance.

In addition to the removal of prohibited temporary signs, any person who shall violate any provision of the Ordinance, upon conviction thereof in a summary proceeding before a District Judge, be subject to a fine not less than \$50.00 and not more than \$1,000.00, plus costs of prosecution. Each non-compliant sign location may be considered a separate offense.

The purpose of this Ordinance is to prevent hazards to visibility of motorists; to prevent interference with vehicular traffic, including the sight distances; to prevent interference with normal pedestrian movements; to prevent disruption of vehicular and pedestrian traffic along any street right of way; to foster public safety through the prevention of distractions to passing motorists; and to maintain the aesthetics of the Township
